PAST CLUB EVENTS

The fun day was well attended and we had 35-40 attendees. We had a few people from both the vizslas and shorthairs attend as well as rescue and Peg Weir, former club member and American Brittany writer. There was a fun match which Ramona Bajorek ran, and Steve Chang and Jeff Hoskins did some field work training with people that brought their dogs. We had a great lunch. Thanks to Bob Aurand for cooking burgers and Steve our gracious host and letting us use his nice facility at Godfather Gundogs for our event!
